extra large room infrared heater

ultra fast, ultra warm heating technology

The eight precision wrapped heating elements provide virtually instant heat. Wrapped elements not only heat up faster, they create a more intense heat that lasts longer. Plus, the balanced stream-of-air output means more even heat throughout the room.

- three heat settings: 750w/1,500w/ and ECO-maintains a constant 68º
- ionizer function – air purifier
- overheat and tip over safety shutoff
- cool touch exterior cabinet
- 12 hour programmable timer
- digital led display
- thermostat control system
- easy glide casters
- remote control with led indicator
  - 2-AAA batteries not included
- lifetime washable filter
- 1 year limited warranty
- no assembly required

Model: LS-8WIQH-LB
Product Dimensions: 16-1/4"W x 18-1/2"H x 15-1/4"D • NET WT. 29 lbs.
Power: Requires a standard 3-prong, 120v AC/15 Amp household outlet.

MADE IN CHINA

Model: LS-8WIQH-LB

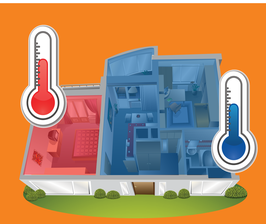
extra large room infrared heater



zone-heating

Don't heat your entire home when you only use part of it. Portable infrared heating allows you to establish zone-heating in your home by efficiently heating only those rooms you want to, when you want to. Utilize multiple units where and when you choose in those rooms you use most often. Heating only the rooms you use, when you use them, can help in reducing your overall energy consumption.

- three heat settings: 750w/1,500w/ and ECO-maintains a constant 68º
- ionizer function – air purifier
- overheat and tip over safety shutoff
- cool touch exterior cabinet
- 12 hour programmable timer
- digital led display
- thermostat control system
- easy glide casters
- remote control with led indicator
  - 2-AAA batteries not included
- lifetime washable filter
- 1 year limited warranty
- no assembly required

Control Panel Buttons

office / cubicle	up to 250 sq. ft.
small room	up to 500 sq. ft.
medium room	up to 800 sq. ft.
large room	up to 1,000 sq. ft.
extra large room	over 1,000 sq. ft.

*square footage ratings may vary based on factors such as amount of windows, doors, room insulation and ceiling height.
